

Nothing has been the same since the bombs dropped. Radiation permeates the ground, sky, and water as the undead and wannabe gym rats roam in packs. Those afflicted with this pestilence are known by many names, including the undead, zombies, the living dead, and walkers. It's an epidemic of lethargic and underperforming individuals crowding our gyms.

How can you handle this hellish post-apocalyptic landscape? Oral administration of 300 CCs of aqueous Z-BOMB! The latest of our ultra-high stim pre-workouts, we've loaded Z-BOMB with enough stimulants and performance enhancers to wake the dead including, 450mg of Caffeine, 8,000mg of Citrulline Malate, 100mg of Purple Force®, and 250mg of Zynamite®.†

⚠ WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use in combination with caffeine or any stimulants, including but not limited to, coffee, tea, soda, and other dietary supplements or medications. Do not use under extreme conditions of heat, sleep deprivation, extreme cardiovascular exertion or dehydration. Do not combine with alcohol. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Mix 1 scoop with 10-16 ounces of water and consume approximately 15-30 minutes prior to your workout. To assess tolerance, new users may want to start with 1/2 scoop.
