Grass Fed + Pasture Raised

As we age, our body's natural production of Collagen, a protein essential to overall health and appearance, declines. **Grass Fed Collagen Peptides** is an easy way to add collagen to your daily diet.

20g COLLAGEN + PROBIOTICS

SKIN ELASTICITY†

STRONG NAILS & HEALTHY HAIR†

TYROSINE	68 mg
VALINE*^	434 mg

*Essential Amino Acids
^Branched chain amino acids

ESTIMATED MINIMUM FILL

The density of the powdered ingredients in this product naturally vary from lot to lot and require space in the container at the time of packaging. Over time, the powders settle, causing the container to appear less full than when it was first packaged. This product is sold by weight and not by volume.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.

Made without dairy or soy ingredients. Manufactured in a facility that also processes egg, milk, soy, wheat, fish, tree nuts and sesame.

Packaged by weight not volume. Settling may occur. Net weight and servings are clearly marked.

Collagen is not a complete protein. Do not use to replace dietary protein or for weight reduction.

Keep out of reach of children. Store in a cool, dry place. Do not use if safety seal is broken or missing.

SNZ 1969™ is a trademark of Sanzyme Biologics.

*At time of expiration.
