Beta-sitosterol is a nutrient found in tiny amounts
in saw palmetto and other herbs. Research shows
that 80 to 180 daily mg of this nutrient helps support
prostate health. ProstateEssence™ provides more than
180 mg in each serving, along with 1000 IU of vegan
vitamin D3, zinc, selenium, trace minerals and 300 mg
of herbal extracts that have been used for centuries to
support healthy prostate function. This combination
sets a new standard in prostate support.*

Suggested Use: Two capsules once daily, with
a meal.

Storage: Keep closed in a cool, dry place.

Caution: Keep all supplements out of children's reach.
Not intended for use during pregnancy.
