

0 90700 00083 7

We prepare our Lavender Extract from the flowers of *Lavandula angustifolia* shrubs which are **Certified Organically Grown** in their native habitat of Provence, France.

To assure optimal extraction of Lavender's bioactive compounds, the flowers are harvested in mid-summer just as they are beginning to open, are carefully shade-dried to retain their full color and aroma, and are then thoroughly extracted.

005

LIQUID HERBAL EXTRACT

# LAVENDER

*Lavandula angustifolia*  
Provence-Grown Flowers
