

To assure optimal extraction of Buchu's bioactive compounds, the leaves are hand-harvested at their optimal potency, are carefully shade-dried, and are thoroughly extracted.

We prepare our Buchu Extract from the leaves of *Agathosma betulina* shrubs which are **Certified Organically Grown** in the Cape Province of South Africa.

LIQUID HERBAL EXTRACT

BUCHU

Agathosma betulina
Whole Leaf

HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)
