

RECOMMENDATION:

Dosage cup included.
Shake well before each use.

For best results, use at first sign of minor cough, nasal, throat, or chest irritations and continue to use for an additional 48 hours after irritations cease.
Children 6-12 years of age, take 1½ teaspoons (7.5 mL) three times daily. **Adults and children 13 years of age and older**, take 2 teaspoons (10 mL) three times daily. Not formulated for children under 6 years of age. Do not exceed recommended dose.

Caution: If you are pregnant, nursing, or taking any medications, consult a healthcare professional before use. Individuals with allergies to plants of the *Geraniaceae* family should use this product with caution. If irritations persist more than 7 days or worsen, consult a healthcare professional.

Keep out of reach of children. Do not use if safety seal under child-resistant cap is broken or missing. Keep tightly closed. Store at room temperature. Avoid excessive heat and direct sunlight.

GLUTEN FREE. No wheat, dairy, peanut, or artificial colors.

Cough Relief+ Immune Syrup*

Feel Better Faster*

With clinically proven
South African Geranium
root extract

South African Geranium root extract soothes occasional coughs associated with hoarseness, dry throat, and irritants, and reduces the duration and severity of minor nasal, throat, and chest irritations.

South African Geranium root extract has been the subject of over 20 clinical studies in thousands of adults and children.
