Wild Yam Liquid Extract

Ingredients: certified organic alcohol (52-62%), distilled water & Certified Organic Wild Yam extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Wild Yam Extract from the rhizome of *Dioscorea villosa* vines which are **Certified Organically Grown** especially for us in their native forest habitat in eastern Kentucky.

To assure optimal extraction of Wild Yam's bioactive compounds, the rhizomes are hand-harvested only in autumn, are carefully shade-dried, and are then thoroughly extracted.
