Did you know 70% of your immune system is located in your gut? Our modern diet and daily stresses throw off the balance of good bacteria, which can negatively impact our digestion and immunity. The key to a healthy immune system begins in the digestive tract and you need to take care of it on a DAILY basis. Nutrilite™ Balance Within™ Probiotic helps safely restore and maintain the natural level of good bacteria in the gut to support digestive health and your body's immunity.™

Balance Within™ Probiotic is an exclusive blend of probiotic strains, including clinically-supported levels of two of the most well-studied probiotic strains for digestive and immune health – *Bifidobacterium animalis* ssp. *lactis* HN019™ and *Lactobacillus acidophilus* NCFM®**.**™
