Black Cohosh Liquid Extract

Ingredients: certified organic alcohol (76-86%), distilled water & Certified Organic Black Cohosh extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Black Cohosh Extract from the rhizome & rootlets of *Cimicifuga racemosa* plants which are **Certified Organically Grown** especially for us in their native forest habitat in eastern Kentucky.

To assure optimal extraction of Black Cohosh's isoflavones & other bioactive compounds, the rhizome & rootlets are hand-dug only in autumn or spring, are carefully shade-dried, and are then thoroughly extracted.
