nutrilite™ vitamin B dual-action releases 2 B vitamins instantly, then 6 more slowly and steadily, contributing for a full eight hours to normal energy-yielding metabolism. All 8 essential B vitamins are used by the body to produce energy and help fight fatigue. The product also provides natural Spirulina which is packed with all 8 essential B vitamins and helps create a supplement that is closer to the diverse nutrient spectrum found in foods unlike supplements containing only isolated B vitamins.

**MADE IN USA**  
**120 TABLETS**  
1 tablet, 1x a day

DIETARY SUPPLEMENT

Supports To Fight Fatigue

vitamin B  
dual-action
