NUTRILITE™ Vitamin C Extended Release is a plant-based vitamin C supplement that provides all day immune support with one tablet convenience. ∞ It's digested slowly and gently, which improves utilization and avoids the waste associated with large doses. And it's made with vitamin C from one of nature's most concentrated sources – acerola cherries – grown on our certified organic farms, along with antioxidants from lemon, orange and grapefruit concentrates.

180 TABLETS | 1 tablet, 1x a day
