

*THIS STATEMENT HAS NOT BEEN EVALUATED BY THE FDA. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.

Our Echinacea plants are certified organically grown on our own farm in southern Oregon. The plants are verified for potency and then promptly extracted while still fresh and succulent to retain their bioactivity.

For potent immune system support, we make a blend of the dried extracts of four distinct *Echinacea purpurea* plant parts and mix it into a base of Echinacea root powder to effectively capture the immune-active compounds that each part contains.

Super Echinacea® Capsules
*Supports Healthy Function of the Immune System**

60 vegetarian capsules • 350 mg each
