

Initial (first serving) Directions: To assess your individual tolerance to the ergogenic matrix, combine 1/2 scoop of PURPLE WRAATH™ with 5-10 oz. of water and consume it before, during and/or after your workout. Shake well before drinking. If you experience any unusual occurrence, stop and consult your doctor.

Directions For Regular Use: Combine 1 serving of PURPLE WRAATH™ with 20 oz. of water once or twice per day, and consume it during your workout or over an extended period of time (pre-workout, during your workout, or post-workout). Shake well before drinking. For best results, PURPLE WRAATH™ should be used in conjunction with other Controlled Labs products, with an adequate amount of water per day, and a high protein/moderate carbohydrate diet. For more details on optimizing your results, please see www.ControlledLabs.com.

Warnings: The Beta Alanine in this product may cause a slight tingling in some people. This is a natural characteristic. Before ingesting this product you should consult your doctor if you are not aware of your current health status or if you have any medical condition including, but not limited to: diabetes, high or low blood pressure, cardiac arrhythmias, stroke; diseases of the heart, kidneys, liver or thyroid gland; anxiety, history of seizures, depression, any psychiatric ailment, pernicious anemia or other blood disorders, prostate enlargement. This product is intended for adults 18-50 years of age only. **WARNING:** Consuming this product can expose you to chemicals including [Lead], which are known to the State of California to cause cancer and birth defects or other reproductive harm.
