Read the entire label and follow the directions carefully.
DIRECTIONS: Take one (1) capsule upon waking, and one (1) capsule before midday meal, preferably on an empty stomach, or as recommended by a healthcare practitioner. DHEA serum blood tests are suggested 3 to 6 weeks after initiating DHEA supplementation to optimize individual needs.

†This supplement should be taken in conjunction with a healthy diet and regular exercise program. Results may vary.

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of breast cancer, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. **KEEP OUT OF REACH OF CHILDREN.** Do not purchase if outer seal is broken or damaged.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
