A Fresh Brand With an Understanding of the Magnificent Nature of the Honeybees.

NaturaNectar understands the nature and science behind the beehive and finds its inspiration there. With the same focus and dedication of the honeybees, our company is dedicated to bringing innovation and natural quality to our customers while committing corporate resources to the important research needed to ensure that honeybees continue to be one of nature's true marvels as well as supporting the surrounding communities that help to harvest our bee propolis in a sustainable way. We invite you to learn more at BeeThereInitiative.com.

Quality from the Source.

NaturaNectar's sister company ALMAR Apiary is on location in Brazil at the source of the world's finest and purest bee propolis. For over a decade, we have worked together to develop the tap into the best selection of bee propolis available anywhere in the world and are proud to now offer it directly to you. Groundbreaking products are now at your fingertips directly from the Brazilian honeybees and their bio-diverse forests!

30+ Years Perfecting the Most Advanced Standardized Propolis Extracts

The reputation for quality of Salomon PropolisTM extracts in Scandinavia is over 30 years in the making due to the undisputable scientific evidence and grade as natural medicines. Through our partnership with PRC-Propolis Research Center, these standardized, 100% water-based pure extracts have become the foundation of NaturaNectarTM and its extensive product line.

Put the Honeybees' Intuitive Knowledge to Work for Your Digestive Health.*
