VEGETABLE, FRUIT & BOTANICAL DAILY MULTI PHYTO-NUTRIENT FORMULA

SuperJuice

PHYTO-NUTRIENTS are micro-nutrients found in VEGETABLES, FRUITS & BOTANICALS. Research indicates that phyto-nutrients may be an important component of human nutrition. The best way to get these nutrients is to EAT THE PROPER NUMBER OF SERVINGS OF FRESH VEGETABLES AND FRUITS DAILY. SUPER JUICE™ does not replace whole foods but is a supplement designed for those people who may not be getting enough PHYTO-NUTRIENTS through their diet.†
