Nearly all environmental threats contain proteins that the immune system must identify and break down. **Enzyme Defense™** contains proteolytic enzymes that help break down unwanted proteins and support the immune system, respiratory and sinus health.* Additional enzymes are included to target and help break down excess mucus.*

Recommended Use: 1 capsule twice daily on an empty stomach, one hour before or two hours after a meal.

Caution: Consult with a physician prior to use if pregnant or nursing, taking medications or have a medical condition.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in specific pH levels, resulting in superior performance in the body.
