

Suggested Use: Take 1 teaspoon daily in 1 liter of juice or water and sip throughout the day. Or take 1/2 tsp in 1 liter of juice or water twice daily. Due to the concentrated nature of these minerals, do not take undiluted.

A broad-spectrum, magnesium-rich source of minerals (low sodium) from Utah's Great Salt Lake; fully ionized for maximum absorption

The perfect liquid mineral concentrate for outstanding mineral support, rich in magnesium with many other potent minerals: sulfur, boron, lithium and more.
