MAGNESIUM THREONATE POWDER

Magnesium for the Brain*

DIETARY SUPPLEMENT

Net Wt. 144 g (5.08 oz)

Natural Lemon Lime Flavor

Formulated by Suzy Cohen, America's Pharmacist®

MagFocus features Albion forms of magnesium plus Magtein® (Magnesium L-Threonate), the only form of magnesium proven in animal studies to cross the blood-brain barrier. Boosting the brain's magnesium level is vital to healthy cognition, which includes long and short-term memory, learning, stress management, and sleep.*

DIRECTIONS: Dissolve 1/2 scoop in 4 ounces of water (or adjust to desired sweetness) and take with dinner or at bedtime (one dose per day during first week). As tolerated, increase dose to 1 level scoop each night. If you would like to increase to twice daily, you may take one dose in the mid-afternoon, and the second dose at bedtime; you may also follow the advise of your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

Produced in a facility that also uses milk, fish, shellfish, tree nuts, soy, gluten, and egg.
