100% FRESH FREEZE-DRIED

- A classic combination for cleansing and health management.
- Fresh freeze-dried whole cayenne instantly releases its unique spiciness, providing a warming sensation to the digestive system. For those who prefer a mild spiciness just add more water with each serving.
- Enhance your results with additional pure water throughout the day.
- Low calorie. Approximately 10 calories per serving.
- Made with whole lemons including the bioflavonoid rich peel to enhance alkalinity.
- 100% Organic Ingredients.
- We custom freeze-dry, laboratory test and package in our own GMP facility.
- Freeze-drying is the best method for preserving the complex chemistry, active enzymes and entire matrix of a plant.
- No artificial ingredients or preservatives.
- Quick and easy to prepare. Just mix and drink.

THIS PRODUCT IS SPICY

Suggested Use:

1-2 teaspoonfuls in 5-10 ounces of
water, 3-4 times per day. For a
milder drink, double or triple the
water (**recommended the first time
you try it**). For best results measure
the water into a closeable container
then add the powder to the liquid and
shake well. For a two-day cleanse
use two teaspoonfuls six times per
day. Drink 4 additional pints of pure
water daily.

Discontinue use if unusual symptoms
occur. Consult your health care
advisor regarding the use of this
product during pregnancy, with
infants, or with prescription drugs.

Avoid contact with the eyes.
