

Arthocin™ is a proprietary formula that effectively promotes joint health and regeneration of cartilage by safely inhibiting the COX2 enzyme and major signaling and biological pathways of the body.

- Supports healthy cartilage structure
- Safely inhibits the COX2 enzyme to maintain healthy anti-inflammatory response
- Improved joint comfort and mobility in joints and back*
- No stomach irritation

Recommendations: 1 to 2 capsules twice daily. Each 2 capsules is equivalent to 4,000 mg of curcumin 95% or 85,000 mg of tumeric. This proprietary complex provides enhanced bioavailability and sustained retention time in the body, using patent-pending technology.
