

Free Yourself of Life's Little Anxieties With Anxiety Soother™

How many times have you heard the suggestion “don’t worry about it”, but known deep down that silencing your anxieties wasn’t as simple as that? Anxiety derives from many sources, and is slightly different for everyone. For some, it’s the thought of speaking before a large audience. For others it could be a job interview, an airplane flight, or a visit from the in-laws.

Anxiety Soother™ has been carefully blended to help address instances of doubt, insecurity and angst.* Its primary ingredient, Kava root, is one of the most widely recognized herbal anti-anxiety medicines available, and has been combined with the supportive actions of Albizia bark, Passionflower flowering tops, Bacopa herb and Lavender flower.

Anxiety Soother™ is non-sedating, pleasant tasting, and non-habit forming.

Note: Persistent or excessive anxiety has potential health consequences and should be discussed with a medical professional.

Anxiety Soother™

Cautions: FDA advises that a potential risk of rare, but severe, liver injury may be associated with kava. Ask a healthcare professional before use if you have, or have had, liver problems, frequently use alcoholic beverages, or are taking any medication. Stop use and see a doctor if liver symptoms occur (unusual fatigue, abdominal pain, appetite loss, dark urine, pale stools, yellow eyes or skin). Not for use by persons under 18 years of age, or by pregnant or breastfeeding women. Do not take with alcoholic beverages. Excessive use may briefly impair ability to drive, or operate machinery.

Do not use if seal is broken or missing.
