Pterostilbene 98% (98% Extract yields 245mg Pterostilbene)

250 mg †

† daily value not established

PteroActiv is a highly purified, bio enhanced form of the resveratrol analog Pterostilbene. Pterostilbene attenuates various transcription factors, proteins, and biological processes. PteroActiv is an advanced and highly potent dietary supplement that is designed for use by medical researchers, physicians and informed consumers. **Other ingredients:** No additives, fillers or glidants. Capsule shell consists of all vegetable Hydroxypropyl methyl cellulose and are Kosher, Vegan, and Halal certified.

Usage instructions: For 12 years of age or older take one or two capsules before breakfast. Not to be used by children under the age of 12 or by pregnant or lactating women without the recommendation of one's physician.

Storage Instructions: Keep in cool dark place or refrigerate. Replace cap tightly after use.
