

ULTIMATE LIVER PLUS

Ultimate Liver Plus was developed by Dr. Stan Guberman for his patients. Presently, liver supplements on the market today do not have enough ingredients that specifically affect the liver. Now the Ultimate Liver Plus has over twelve ingredients specifically focused on liver health. Plus, the Ultimate Liver Plus has the highest potency of silymarin per capsule of any supplement on the market today.

DIRECTIONS: Take two capsules daily with water as a dietary supplement or as directed by your physician.
