

Directions for use: (As a supplement to your diet)
Adults: Take 1 capsule 3 times a day, preferably with a meal, or as directed by a physician.

The Ultimate Eye/Total Eye Care Formula is truly the most advanced nutritional supplement specifically formulated for the eye. Research suggests that the materials within the Ultimate Eye/Total Eye Care Formula can help to prevent, slow or stop many of the most common eye ailments.*

Do not use if inner seal is broken or damaged. Store in a cool, dry place. Best if used by expiration on bottom of bottle. Keep this and other dietary supplements out of children's reach. As always, consult a physician before using if you are pregnant, lactating or have a medical condition.
