

Suggested Use: Mix one scoop of Intra Blast into 12-16 ounces of cold water and sip throughout each training session of the day. Intra Blast can be consumed before training, between meals, while training, and post workout to boost your amino acid intake.

Warning: KEEP OUT OF REACH OF CHILDREN. Do not use if pregnant or nursing. Not for use by individuals under the age of 18 years. Consult a physician before use if you have a medical condition or are taking any medication. Discontinue use two weeks prior to surgery.
