Allertonic® is made with respiratory seasonal supporting herbs, including organic fresh Stinging Nettle, organic Eyebright and organic fresh Mullein.

We apply our company philosophy to Allertonic®, as we do to all of our herbal medicines. That philosophy is to do what's right, which extends to choosing the right herbs, using the right processes and making the right formulations that support your health needs. We do all of this to bring you *herbal medicines made right™*.

Suggested Use:

Immediate Support - Take one softgel with water every two to three hours until optimal comfort is achieved. Noticeable comfort is attained within the first or second day.

Ongoing - Take one softgel with water three times a day.

Proactive - Two months prior to seasonal challenges, take one softgel with water twice a day.
