Other Ingredients: No additives, fillers or glidants. Capsule shell consists of all vegetable Hydroxypropyl methyl cellulose. Kosher, Vegan, and Halal certified.

A concentrated complex of the polyphenols and stilbenes contained in red wine grapes and the *polygonum cuspidatum* plant augmented by additional amounts of key polyphenols*. Formulated to provide a scientifically balanced high potency synergistic complex of the critical stilbenes Pterostilbene, Trans-resveratrol, and Polydatin. Ptero Max is augmented with substantial amounts of the full spectrum of polyphenols and stilbenes contained in both the red wine grape and the *polygonum cuspidatum* plant, also known as Japanese Giant Knotweed*.

Usage Instructions: Take one capsule at least 45 minutes prior to having breakfast upon waking each morning. Not to be used by children under the age of 12 or by pregnant or lactating women without the recommendation of one's physician.

Storage Instructions: Keep in cool dark place or refrigerate. Replace cap tightly after use.
