

Makes Over 22 Quarts

DIETARY SUPPLEMENT

CELL FOOD®

with Dissolved Oxygen,
Trace Minerals, Plant Source
Amino Acids and Enzymes

1 FL OZ (30 ml)

Lumina Health Products

Please read entire label carefully.

Cellfood®: a proprietary formulation of a super energized mineral concentrate. It naturally provides the highest levels of oxygen and hydrogen to the body, helping to support overall improved energy, endurance and natural health.*

Directions: Mix 8 drops in 8 oz. of purified water or juice, taken 3 times per day— or mix 1 day's amount in bottle, and drink as desired during the day. Take with or without meals. If mild detoxification symptoms result, reduce dosage temporarily. No refrigeration required.

Caution: Keep out of reach of children. Avoid eye contact; rinse well if dropped in eyes. If pregnant, nursing or under medical care, consult your health professional. **Note:** Pour with care. Before Cellfood is mixed with water or juice, its beneficial organic enzymes can compromise countertops, clothing & other surfaces. Store bottle on tray.
