Performance Protein For Men Over 40!

AMIDREN PERFORMANCE PROTEIN is the "perfect protein prescription" for men over 40. As you get older, your body's ability to efficiently use protein to build and preserve lean muscle becomes compromised. This can contribute to sarcopenia (age-associated muscle loss), making it harder for you to gain lean muscle mass. The solution isn't just consuming more protein; it's consuming the right protein supplement that's efficiently used by your body to help you overcome age-related challenges. That's why AMIDREN PERFORMANCE PROTEIN is the right protein supplement for you.*

Formulated by leading anti-aging physician Dr. Vincent Giampapa, M.D., FACS, AMIDREN PERFORMANCE PROTEIN's exclusive "pH-Perfect" Bio-Enhanced Protein Technology helps your body build and preserve lean muscle more efficiently. Using high quality whey and pea isolate proteins, plus a clinically researched probiotic for optimal protein digestion, amino acid absorption, pH regulation and immune system support, AMIDREN PERFORMANCE PROTEIN will help you maintain peak performance.*

AMIDREN PERFORMANCE PROTEIN's Increased BCAA Absorption for Enhanced Muscle Building*

The branched chain amino acids (BCAAs) – isoleucine, valine and leucine – are considered to be among the most important for building and maintaining lean muscle. In a clinical study, ingesting BC30 along with whey protein was found to increase the absorption of all three BCAAs compared to ingesting whey protein alone. This enhances the lean muscle building effects of AMIDREN PERFORMANCE PROTEIN.*

PERFORMANCE

PROTEIN

Amidren®

live at your peak®

BIO-ENHANCED "pH-PERFECT" PROTEIN FOR LEAN MUSCLE BUILDING*

Combats Age-Associated Muscle Loss*

Significantly Greater Absorption of Key Amino Acids**

Supports Healthy Intestinal & Immune System Function*

Great Tasting and Easy to Digest

VANILLA
Naturally & Artificially Flavored

**1.25-lbs. (568g)
Protein Supplement**

PERFORMANCE NUTRITION FOR MEN OVER 40

Ingredients: AMIDREN "pH Perfect" Protein Matrix (whey protein concentrate, pea protein isolate, GanedenBC30® probiotic, potassium citrate, magnesium citrate and potassium bicarbonate), natural and artificial flavors, gum blend (cellulose gum, xanthan gum and carageenan), acesulfame potassium and sucralose.

Contains milk and soy.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Recommended Use: Mix 1 scoop with 6-8 fl. oz. of cold water in a blender or shaker. Blend or mix until the texture is smooth. To increase the thickness and sweetness of your shake, reduce the amount of water slightly. Thickness may also be increased by adding a small amount of ice when blending your shake.

+ For optimal results, take 2 servings daily.

Important: Use this product as a protein supplement only. Do not use for weight reduction or as your only source of calories.

- Keep out of reach of children.
- Store at 10°-30°C (50°-86°F).
- Protect from heat, light and moisture.
- Do not purchase if seal is broken.
