

DOCTOR FORMULATED

Dr. Louis J. Aronne is a world-renowned physician, researcher, professor, and leading expert in weight management and GLP-1 medications. He designed this specialized GLP-1 support protein powder to help nourish and protect your health through your weight loss journey.*

cut calories, not strength.*

Weight loss often burns more than fat. That's why our Dr. Formulated protein is a 4-in-1 complex, strategically designed for GLP-1 users. It goes far beyond the benefits of an everyday protein powder with carefully selected, science-backed ingredients that help preserve muscle, bone and digestive health. All in a delicious vanilla flavored shake you'll love.*
