

CHOCONUVO

ORGANIC • FAIR TRADE • 74% CACAO DARK CHOCOLATE

Mother Nature's Dynamic Duo of Heart Health.

CHOCONUVO combines the heart-healthy benefits of **dark chocolate** with Mother Nature's most powerful and clinically proven cholesterol-reducing ingredient (**plant sterols**). Naturally occurring compounds in dark chocolate called **flavanols** have long been known to promote heart and circulatory health. The unique combination of our natural plant sterols with our flavanol-rich organic dark chocolate creates the creamiest and most luxurious dark chocolate you will ever taste. **CHOCONUVO** is also the first chocolate experience that naturally lowers cholesterol.

Chocolate – Respected for Thousands of Years.

Cocoa was revered by ancient South and Central American cultures. For centuries, cocoa was not merely a source of nourishment, but of resilience, stamina and well-being. The scientific name for the cacao tree translates as God's Drink. As admired as cocoa was by Native Americans, it is not surprising that it soon became equally prized in the 16th century New World.

A Unique Dark Chocolate Experience.

CHOCONUVO's unique marriage of rich dark chocolate with cholesterol-lowering plant sterols creates an exceptionally healthy dark chocolate treat that melts in your mouth like milk chocolate. In fact, our dark **CHOCONUVO 74** was specifically created for those who enjoy the flavor and health benefits of dark chocolate, but prefer the creamy texture of milk chocolate.

Dark Chocolate and Plant Sterols: A Natural Solution to an Unhealthy Problem.*

The *normal* American diet increases cholesterol levels and the risk of heart disease. As a result, millions of Americans take cholesterol-lowering drugs with their long list of harmful side effects. If you and your physician seek a natural tool to lower cholesterol, then **CHOCONUVO** is an ideal solution. We add the clinically proven cholesterol-lowering benefits of plant sterols to our heart-healthy Organic 74% dark chocolate. In fact, the 1,300 mg of plant sterols in just two **CHOCONUVO** squares is all you need to powerfully impact your cholesterol levels.*

Rich Flavor. Creamy Texture. Never Bitter.

The world's most delicious dark chocolate is also the world's healthiest. When you indulge in the creamy texture of **CHOCONUVO**, you naturally reduce harmful cholesterol levels and with them, the risk of heart disease. Scientists and experts have long stated that there is no more protective superfood than dark chocolate and clearly, there is no more protective chocolate than **CHOCONUVO**.

For over 40 years, **ProCaps Laboratories** have been producing exceptionally pure and effective products to meet the uncompromising standards of health-conscious individuals and medical professionals. **ProCaps** is one of very few companies that actually make their own products and do so in their own US-based, 100% solar-powered facility. The **ProCaps** facility is among the world's largest private solar installations, possessing zero carbon footprint, which makes **ProCaps** products perfect for both you *and* the planet.

Since 1979, Unsurpassed Purity, Quality and Efficacy.

UNIQUELY HEART-HEALTHY CHOCOLATE™

CHOCONUVO

ORGANIC • FAIR TRADE
74% CACAO DARK CHOCOLATE

INGREDIENTS: ORGANIC FAIR TRADE DARK CHOCOLATE
(ORGANIC FAIR TRADE CACAO BEANS, ORGANIC EVAPORATED CANE SYRUP,
ORGANIC FAIR TRADE COCOA BUTTER, ORGANIC SUNFLOWER LECITHIN)
CHOLESTACARE NATURAL PLANT STEROL ESTERS.

60 SIX-GRAM
SQUARES

NET WT 12.7 oz (360 g)

SUGGESTED USE For optimum cholesterol reduction, consume one or two **CHOCONUVO** squares with each meal (with no less than two meals daily). Other than pure enjoyment, there is no need to consume more than five squares daily for cholesterol reduction. **CHOCONUVO** should be consumed shortly before, during or after meals. Best results are achieved when combined with a healthy, low cholesterol, high fiber diet. Like any creamy chocolate, **CHOCONUVO** melts when exposed to heat. Should this occur, simply place it in the refrigerator and it will solidify back to its normal state. **CHOCONUVO** is perfect for baking, since its flavor and health benefits are not affected by exposure to heat. **For questions about the use of this product call 800.800.1200.**

**According to the US Food and Drug Administration, consuming at least 650 mg of plant sterol esters twice daily with meals for a daily total intake of at least 1,300 mg as part of a healthy diet low in saturated fat and cholesterol, may reduce the risk of heart disease.*
Each CHOCONUVO square supplies 650 mg of plant sterol esters.
