ESSENTIAL 1

HIGH POTENCY • ONCE DAILY
WITH 1000 IU VITAMIN D3

100 mcg Methyl B12 • 1200 mcg Biotin
CoQ-10 • Vitamin K2 MK-7 • Methyl Folate
Pyridoxal 5'-Phosphate
Lutein • Lycopene • Zeaxanthin

ESSENTIAL ONE is the world's most advanced single capsule multivitamin. It is a uniquely pure alternative to all the problems and additives of multivitamin tablets and gummies. Our small, easy-to-swallow capsules are gentle to even the most sensitive stomachs. We ensure that all key nutrients are provided in their proper forms and at their most beneficial levels. **Essential One** provides high potencies of Vitamin D3 (1,000 IU), Methyl B12 (100 mcg), along with a complete B-Complex, including 5-Methyl Folate (not ordinary Folic Acid), Pyridoxal 5'-Phosphate and 40 times more Biotin (for beauty) than the leading brands. We provide all three critical and costly carotenoids; Lutein, Lycopene and Zeaxanthin; along with a dozen other essential nutrients, including Mother Nature's most important nutrient for energy production and cellular protection—Coenzyme Q10. We also add Vitamin K2 MK-7, recognized as essential for bone and heart health through its role in regulating calcium metabolism. **Essential One** provides all the convenience and affordability you seek in a multivitamin without the stomach upset, additives and other problems of large, hard-to-swallow and difficult-to-digest multivitamin tablets or their even more ridiculous, calorie-laden, candy gummy cousins. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CONTAINS NO ADDITIVES OR COMMON ALLERGENS OF ANY KIND

Supplement Facts		Serving Size 1 Capsule
		Servings Per Container 360
Amount Per Serving		% DV*
Vitamin A (as natural beta carotene)	200 mcg RAE (667 IU)	22%
