ULTIMATE AÇAÍ BERRY EXTRACTS™

Rich in Polyphenols & Anthocyanins

Dietary Supplement **360 EASY-TO-SWALLOW CAPSULES**

ULTIMATE AÇAÍ BERRY EXTRACTS offers a unique blend of standardized açaí berry extracts, providing a trustworthy source of the most beneficial compounds found in this extraordinary fruit. Although açaí has only recently been recognized as a “super-fruit,” it has been consumed in Brazil as a native food and folk remedy for many centuries. Açaí is Brazil’s contribution to the world of remarkable “super-fruits” that has recently acquired so much media attention. Unfortunately, açaí’s great publicity seems to have resulted in a great deal of exaggerated health and weight-loss claims for low-quality products; however, with our **Ultimate Açaí Berry Extracts** you can now be assured of the potential benefits this nutritious dark purple berry can provide. There is no other açaí berry supplement that offers our unique high-potency blend of standardized açaí fruit, thus assuring you of all the benefits you hope to derive from this special berry. Sadly, most açaí products are nothing more than sweet, high-calorie juices that offer no standardized ingredients or benefits, but come with outrageous price tags and even more outrageous claims. Our **Ultimate Açaí Berry Extracts** is not dried or reconstituted fruit, but is guaranteed to contain rich standardized extracts delivering the powerful protective compounds naturally present in açaí fruit. It delivers the standardized ingredients not present in other açaí drinks or supplements without their false medical or weight-loss claims. Our **Ultimate Açaí Berry Extracts** provides the highest quality, standardized extracts of açaí fruit without the sugar, calories and unethical claims so typical of açaí products.
