

Increases Focus & Concentration

Designed for the overactive adult brain, AdultFocus™ is formulated to provide nutritional support that goes to the heart of the leading causes of ADD/ADHD and its associated symptoms, such as the inability to properly focus and concentrate, distractibility, impulsiveness, and disorganization.

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you, or call us toll free at 877-ASK-ZAHLER (877-275-9245).
