WARNING: This product is not intended to treat insomnia or other sleep disorder. Consult a physician before using this product if under the age of 18, taking medication, have any medical condition, are pregnant or lactating, have an autoimmune condition or depressive disorder. For ages 4 years and older. Melatonin may cause drowsiness or sleepiness, do not take when driving or operating heavy machinery, or consuming alcohol. If adverse reactions occur, discontinue use. For occasional short-term use only. Use only as directed and do not exceed suggested dose. This product should never substitute healthy sleep practices.

**KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.**

Do not use if safety seal is damaged or missing.

**Helps your child
sleep better[†]**

Natrol® Melatonin helps your child fall asleep faster.[†]

Melatonin is naturally produced in the body to help establish normal sleep patterns. Factors like night-routine disruption and screen time before bed can interrupt melatonin production and disrupt their sleep. This product is helpful for occasional sleeplessness.[†]

[†] These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
