DIETARY
SUPPLEMENT
90 CAPSULES

*Feel Better,
Everyday™*

Directions:
3 capsules
daily with meals.

Candidiasis (Yeast Infection) Control

Candidiasis is an overgrowth of the Candida fungus. Although a small amount of the fungus is always present in the body, an overgrowth of yeast, particularly in warm, moist areas, causes infection.

Zahler's CandAid™ flushes excess yeast from the body, restores a healthy balance to the intestinal microflora, and builds up long-term resistance to yeast infections.
