

Bluebonnet's Chelated Calcium Magnesium Caplets are formulated with 500 mg of elemental calcium from fully reacted calcium bisglycinate and 200 mg of elemental magnesium from magnesium glycinate chelate buffered with magnesium oxide from Albion for strong, healthy bones. Buffered magnesium increases the pH (alkalinity) of the formula, making it more gentle on the digestive tract and easier to absorb. ♦

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts, wheat, soybeans and sesame.

Also free of gluten, barley and sugar.

Minerals are shown in their elemental value.

Bluebonnet's KOF-K Certification #K-0000700
