

**Suggested Use:** For high-intensity use, take one lozenge every two wakeful hours, dissolving completely in mouth. Otherwise, take one lozenge per day, as a dietary supplement, or as directed by a physician. Do not exceed 10 lozenges per day. For children under 60 pounds, use 1/2 adult amount.

**Warning:** If you are taking any medications or are pregnant or nursing do not use prior to consulting a physician.

For your protection, this container has an outer safety seal. (Do not accept if missing or broken.)

Best if used by date on bottle. Store in a dry, cool place.

**KEEP OUT OF REACH OF CHILDREN**
