

**Fast-Up** is used to quickly clear away fatigue and replace it with smooth, precise energy and focus.\*

One capsule contains less caffeine than 1 cup of brewed coffee. This makes Fast-Up flexible for use before exercise, sports, work or any other time you need a quick pick-me-up.\*

**Use:** Take 1-3 capsules daily.

**Try the ultimate pre-workout stack:** Take 1 serving of Fast-Up and 1 serving of Up-Lift 30 minutes before your workout.

\* These statements have not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**100% Money-Back Guarantee**

If you're not 100% satisfied after using this product for 60 days, then we will refund your money. No questions asked.

**Warning:** Do not take more than 6 capsules of Fast-Up in 24 hours. For adults only. Consult your physician prior to using this product if you are: pregnant; nursing; trying to become pregnant; taking medication; or have a medical condition.

**Keep out of reach of children.**
