FEED WHAT YOU NEED™

We are Equip®, makers of clean, effective, convenient foods to support your overall health and performance goals. We stand for flexible nutrition that fits into your everyday life — anytime, with little effort. No synthetic ingredients, artificial flavorings, colorings, fillers, binding agents, sweeteners, or general buffoonery.

We use grass-fed beef in our Prime Protein, because it contains collagen and gelatin and it's a complete source of protein — full of nutrition you'd only get from real beef. Just a simple nutrition blend made with whole foods. Equip. Feed What You Need.™
