

UMP is considered a “must have” by natural physique athletes and other Beverly clients. They rely on its naturally balanced blend of high-quality proteins to help them recover from workouts, build and preserve lean muscle, and support healthy body weight.*

Why people like it:

- Hours of muscle-building support*: 90% of the protein in UMP is supplied by Milk Protein Isolate (MPI). Obtained from fresh skim milk, MPI contains a natural 80:20 blend of casein and whey protein that supports your muscles for hours at a time.*
- The lasting effects of UMP make it great for use at breakfast time, post-workout, before bed, etc.
- Rich, satisfying flavors and creamy mouthfeel make it a treat to eat.
- Stomach-friendly: Easy to digest. No gas or bloating.
- Can be added to shakes, smoothies, brownies, puddings, cookies, and more.

Important: Use this product as a dietary supplement only. Do not use for weight reduction or as your only source of calories.

Use: To make a delicious shake:

- Pour 8 oz of cold water into a blender or the container of your choice.
- Add 1 scoop of UMP and blend or mix until the texture is smooth or as you desire it.
- Drink and enjoy!
- For a thicker, sweeter shake, reduce the amount of water slightly. Adding 3-4 small ice cubes when blending will also increase thickness.
- For a thinner shake, add more water.

The best times to use UMP are:

- within 1 hour before and/or after lifting weights (resistance exercise)
- first thing in the morning or before bed
- any other time of day to increase your daily protein intake
