

Chewable Omega 3 Softgels

Omega 3 is an essential fatty acid (EFA); essential, because the body requires it but cannot produce it on its own. Omega 3's benefits come primarily from DHA (docosahexaenoic acid) and EPA (eicosapentaenoic acid).

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you, or call us toll free at 877-ASK-ZAHLER (877-275-9245).
