

WAKUNAGA

Formula 107 provides a natural plant-based approach to promote healthy cholesterol levels already within normal ranges and overall cardiovascular health.* Phytosterols are similar in structure to cholesterol in the human body and block it from being absorbed.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
