

WAKUNAGA

Formula 200 is a convenient, high-potency formula of Aged Garlic Extract™ that supports healthy cholesterol levels which are already within normal ranges, overall heart health and the immune system.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
