Berberis® and Indena Phytosome® are registered trademarks
of Indena S.p.A., Italy

MegaFood's Berberine Phytosome, derived from
Indian Barberry, harnesses the power of plants and
is clinically studied for metabolic support, including
cardiovascular health.[†] Our formula utilizes a unique
Indena Phytosome® technology, designed to be 9x
more absorbed by the body than standard berberine
chloride, to better support its metabolic effects.[†]
