This product has been manufactured at a GMP registered facility.

For more information on EpiCor® and on Country Life™'s Gut Connection® Go to CountryLifeVitamins.com

Gut Connection® contains 630 mg of clinically researched EpiCor®.

Why?

Supports healthy shift in gut microbiota compositionΔ**

Helps maintain the gut liningΔ**

†EpiCor® is a whole food fermentate prebiotic that balances and strengthens your gut by **boosting its levels of good bacteria** to promote health every day.Δ** Made using a fermented whole food yeast (*Saccharomyces cerevisiae*), it captures a complex array of beneficial nutrients through the process of fermentation. **Each daily serving will improve your gut and your health—it's all connected!Δ****

A healthy gut has more than 10 trillion bacteria! **Gut Connection® is different because it does not provide probiotics**, so you can take it alone or with your favorite probiotic. This allows your body to create its own healthy bacteria.Δ**

ΔBased on results from a study using a dynamic model representing GI digestion.
