TELOMERE SUPPORT™

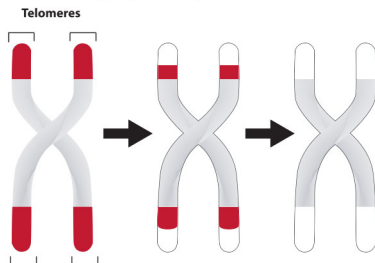

Telomere Support™ provides important nutrients and bio actives that protect the integrity and stability of telomere health.**

Did you know?

- Telomeres are strands of DNA that cap chromosomes.**
- Telomeres are the protective caps at the end of chromosomes that shorten as one ages.**
- Cells with shorter telomeres can no longer replicate efficiently.**
- Telomere length is believed to be an indicator of biological aging.**
- Supports and promotes the health and function of telomeres in the body.**

AGING PROCESS

As individuals age, their telomeres progressively shorten**
