Dietary Supplement
180 SOFTGELS

Suggested Use:

Take three (3) softgels daily with food or as directed by a health care practitioner.

Premium Grade Omega 3 + Vitamin D

Omega-3 is an essential fatty acid (EFA); essential, because the body requires it but cannot produce it on its own. Omega 3's benefits come primarily from DHA (docosahexaenoic acid) and EPA (eicosapentaenoic acid).

With a super-high concentration and the optimal 3:2 ratio of EPA/DHA, plus a robust dose of Vitamin D, Zahler's Omega 3+D Platinum™ is the most effective supplement for people who do not get adequate levels of vitamin D and omega-3 fatty acids via their regular diet.
