L-Citrulline	100 mg	*	200 mg	*
resVida® trans-Resveratrol	30 mg	*	60 mg	*

† Percent Daily Values are based on a 2,000 calorie diet.

* Daily Value not established.

OTHER INGREDIENTS: Citric Acid, Natural Flavor, Sucralose, Acesulfame Potassium, Silica, FD&C Red #40 Dye.

CONTAINS: Milk and Soybeans.

WARNING: For adult use only. Do not use this product if you are pregnant or lactating. Consult your physician prior to using this product if you are pregnant, nursing, taking medication, or have a medical condition. Discontinue use two weeks prior to surgery.

NOTICE: Significant product settling may occur.

*In a double-blind, randomized, placebo-controlled, cross-over study, 25 subjects exercised on a treadmill on two occasions. On one occasion the subjects took the thermogenic blend before exercise and on the second occasion, they took a placebo. When the subjects took the thermogenic blend, they burned three times more calories before, 3% more calories during and 12 times more calories after exercise compared to when they took the placebo.

GNC BEYOND RAW® RE-PUMP™ — the first anabolic thermogenic of its kind to combine clinically studied, muscle-fueling ingredients with advanced physique support that works to enhance performance and metabolism before-during-after hardcore training.* This scientifically designed, expert-formulated muscle fuel also leverages a new supplementation methodology in sports nutrition, the Physiobolic Edge. This new system is based off the latest research that targets the following 9 Primal Physiogenic Factors crucial to support a shredded physique and anabolic building power.

- Anabolic Hormones
- Anabolic Primers
- N.O. Pumps
- Carbohydrate Metabolism
- Muscle Cell Energy
- Increased Calorie Burning
- Fat Metabolism
- Water Regulation
- Muscle Cell Protection & Recovery*

As you push to take shredded and pumped to the next level in your cutting phase, utilize this enhancing compound packed with ingredients to fuel intense **N.O. Pumps** and thermogenics clinically proven to **Increase Calorie Burning up to 12X**.** The **HYPER-VASCULAR MATRIX** contains glycerol and agmatine, plus resveratrol and citrulline to fuel training that drives insane roadmap vascularity. The **THERMO-METABOLIC ACTIVATOR** features green coffee along with carnitine to facilitate **Fat Metabolism** and CLA, clinically shown to improve physique and body composition.*

The muscle-building **ANABOLIC DENSITY COMPOUND** includes efficacious doses of clinically validated **Anabolic Primers:** betaine to provide you with punishing strength and explosive power, along with leucine to fuel muscle protein synthesis.* This muscle-shredding ignitor also delivers the ultimate **Muscle Cell Protection & Recovery** with ROS (Reactive Oxygen Species) cell defense and key nutrients to help support recovery after your most hardcore training sessions.*

This creatine-free, anabolic thermogenic pre-workout also features targeted metabolic power with Opuntia, a prickly pear extract, to support extreme anabolic activity by activating insulin, the **Anabolic Hormone** critical for **Carbohydrate Metabolism** and rapid nutrient uptake.* Plus, it's loaded with key electrolytes to facilitate **Water Regulation** and fuel **Muscle Cell Energy** on the molecular level.* Prepare yourself. Experience the difference. Go beyond pumped — get **BEYOND RAW®**.

PHYSIOBOLIC
EDGE

The Physiobolic Edge is the advanced, performance-based technology powering the science behind **GNC BEYOND RAW®** with more than best-in-class, cutting-edge ingredients. This new, research-based system advances molecular functions not yet targeted by other products by synchronizing with vital physiological mechanisms and genetic pathways before, during and after extreme workouts that unleash your maximum muscle-mind-body potential. This powerful addition gives hardcore sports nutrition a new meaning: physiogenic performance fuel as you push for a physique like never before, muscle-maximizing size, explosive strength and power.* The Physiobolic Edge targets the exact **10 Primal Physiogenic Factors** that open the door to extreme results.
